Brahmadaya Inam lands worth Rs 1500/- for the maintenance of the Archak and that Mr G. Venkatramayya, Pleader, Bangalore, has been appointed as Manager of the Institution.

It is further stated that Mr Venkatramayya wishes to deposit Rs 1000/- with the object of utilizing the interest thereon for Paditara & Deepaaradhane expenses and requests that an interest at 4% may be allowed on the amount and the institution taken under Govt management.

The question of taking the temple under Govt management falls under Section 3, Chapter II of the Mysore Regulation no VI of 1913 Before the management is assumed by Govt, it is, perhaps, necessary to know the income and expenditure of the temple, which has not been furnished in the present case. The house ~~proposed to be~~ endowed may be presumed to be for the residence of the Archak and the lands for his maintenance. It is not known what the income from the lands is.

As regards the endowment of lands, the Dy: Comr promises to submit a further report in the matter.

As regards the allowing of interest

In this connection the Dy. It may, perhaps, be pointed out that the value of both the cash & land endowments in question amounts only to Rs 2500/- and does not exceed Rs 3000/ as stated by the Dy. Comr.

As regards the question of investment in the Mysore Bank, the subject falls under ~~the~~ section ~~(b)~~ 18(b) of chapter II of 4 the Muzrai Regulation, if the Bank can be interpreted to be a company approved by Govt. ~~& under clause (d) of the Section~~

Sir,

I have the honour to state that one Mr. G.Venkataramiah, Pleader, Bangalore, states in his petition submitted to the Sub Division Officer, that his Maternal uncle Ramaswamiah of Biderekere in the Anekal Taluk, undertook to construct a temple of Kodandaramaswami at the said village, but that he having died without male issue, his daughter Annamniamma and daughter-in-law Thimmamma completed the building, that they have made arrangements for conducting puja in the temple, by endowing it with a house and Brahmadaya Inam Lands worth Rs.1,500/- for the maintenance of the Archak, and that they have appointed him (Mr. G.Venkataramiah) a manager of the Institution. He further states that he has been at present paying Rs.3-12-0 monthly to the Archak for Paditara and Deeparahane expenses, and that he intends to deposit Rs.1,000/- so that the interest realised thereon may be utilised for Paditara and Deeparadhane expenses. He requests that the Institution may be taken under Government management and interest allowed on the deposit of Rs.1,000/- at 4 per cent per annum.

2. The Amildar in submitting the deed of gift of lands executed by the said Ammamiamma and Thimmamma and other documents recommends that the prayer of the petitioner may be granted and that he may be appointed a manager of the above Institution.

3. The Patta of the lands endowed not being in the name of the doners the records have been returned to the Amildar with instructions to take necessary steps to change the patta according to the Rules. As soon as this is done the matter will be submitted to Government for orders. In the meantime the said Mr. Venkataramiah wants to deposit the sum of Rs. 10[illegible] on the favourable rate of interest of 4 per cent per annum. Although the deposit is for a religious purpose, the amount is less than the prescribed minimum, for the enchanced rate of interest to be allowed under Government Order No. 473-503 / 67 15-09-2 dated 15-7-1909. But it is a point for consideration whether the concessional rate of interest should not be allowed on the cash deposit, in cases in which the value of both movable and immovable property donated (exceeds the prescribed minimum) and also whether the depositors may not be given the option of depositing the amount in the Mysore Bank, where the rate of interest on fixed deposits is 4½ per cent, the Government taking no responsibility for the principal amount.

I request early orders in the matter.

I have the honour to be,
